- MANDRY Rachid
- ADDAKIRI Khaoula
- BOUZI Mostafa
- ERRKIK Ahmed

Main lines of research:

- ❑ **Research topic 1** : Radiofrequency electronics, Antennas and microwave devices
- ❑ **Research topic 2**: Computer Science, Artificial Intelligence and Intelligent Systems Performance
- ❑ **Research topic 3**: Mechanics, Materials, Acoustics, Automation and Hybrid Systems

Laboratory in Numbers :

Keywords : Mechanics, IT, Electronics telecommunications
