- BOUAJAJA Abdelkader
- EL OUARDIGHI Abdeljalil
- KHABOUZE Mostafa
- KAMAL Abdelhak

Main lines of research:

- ❑ Research topic 1: Regional development and dynamics
- ❑ Research topic 2: Regional development inequalities
- ❑ Research topic 3: Socio-economic inequalities
- ❑ Research topic 4 : Financing innovation
- ❑ Research topic 5: Business intelligence and knowledge management
- ❑ Research topic 6: Business intelligence, economic intelligence
- ❑ Research topic 7: Machine learning application in economics
- ❑ Research topic 8: Artificial neural network approach in education
- ❑ Research topic 9: Big data analysis and modeling

Laboratory in Numbers :

Keywords : Mathematical modeling, regional development, innovation.
